

Gas Wall Mount Heaters

Blue Flame Wall Mount Heater

Blue flame heaters heat like your central heating system, heating the air first and then circulating the warmth throughout your room. 20,000 and 30,000 btu models to choose from. Built in oxygen depletion sensor and thermocoupler for safety. Push button ignition for matchless start.

20,000 BTU
4308268 Duel Fuel.

\$199.99

30,000 BTU
4308284 Duel Fuel.

\$239.99

New Duel Fuel Models can switch between Propane or Natural Gas.

Infrared Wall Mount Heater

Infrared heater heat like the sun, radiating warmth and directly heating objects in your room first. Available in 10,000 to 30,000 btu models to choose from. Built in oxygen depletion sensor and thermocoupler for safety. Push button ignition for matchless starting.

10,000 BTU
49956(LP)
49955(NG)

\$149.97
Reg \$169.99

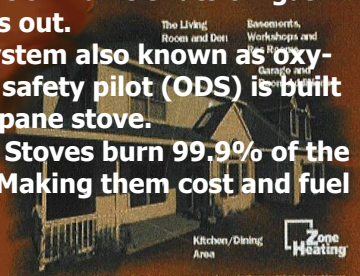

25,000 BTU
4068664(LP)
30,000 BTU
4068631(NG)

\$219.97
Reg \$249.99

Many more units in manual and thermostatic control are available by special order. See a sales associate for more information.

SAFETY BUILT INTO EVERY STOVE WE SELL

1. Automatic shut off valve shuts off gas if pilot light goes out.
2. Safety pilot system also known as oxygen detection safety pilot (ODS) is built into every propane stove.
3. Vent Free Gas Stoves burn 99.9% of the gas they use. Making them cost and fuel efficient.

Propane Tanks

- 100# Tank (Holds 24 gallons) Part # 85546
- 100# Quick Fill (can be filled by propane provider, or taken to get filled) Part # W100QF
- 420# Tank (ASME Certified Holds 100 gallons. Must be filled by propane provider) Part # W420

We are a propane supplier call or stop by for current prices on propane and tanks.
