Weavers Hardware is committed to selling products that are of the highest quality and from dependable manufacturers. We want to make sure you are satisfied with the products you purchase from us. We try to resolve any issues you may have with products purchased in a convenient manner.

Heat Smart Heaters have been very reliable for our customers. Weaver's Hardware is now able to provide warranty service for our customers if there was to be an issue with one of their Heat Smart Products.

The manufacturer Reliable Products International, offers two choices for warranty service...

1) At their facility in Chambersburg, PA. 100% of Parts and Labor will be covered, however you are responsible for shipping the heater to them for repair. Their contact information is listed below.

Reliable Products International

460 A Wayne Ave

Chambersburg, PA 17201

2) Weaver's Hardware is able to perform normal warranty repairs at our own facility in Fleetwood. The manufacturer covers the cost of all parts but you are responsible for the bench charge (for Labor) of \$25.00.

If for some reason we are unable to complete the repair that is brought to us, we will then ship the unit back to the factory (at our cost) to complete the repair.

We are always committed to making sure your decision to purchase products from our stores has a positive result. We are committed to providing you the best service we can.

Thank you
