Entry[®] Liquid Ice Melt

Chloride Free!
Melts ice cleaner, safer, and faster.

HOW IT WORKS:

1. Shovel snow and ice
2. Fill sprayer with Entry[®] Liquid Ice Melt and spray
3. Snow and ice will melt away

Entry[®] will melt snow and ice in less than 30 second and prevent refreeze to temperatures below 0°F.

Entry's[®] residue free formula eliminates the mess & expense of cleaning up ice melt. The clear liquid formula eliminates the abrasive affect that granular ice melts have on surfaces. And Entry's[®] neutral pH reduces risk of damage to surfaces.
