Road Runner Best Sidewalk Salt Blend

- Blend of sodium, magnesium pellets, & calcium chloride pellets
- Melts to -15° F - A high quality ice melt blend
- Tracks less than other calcium blends
- Great for commercial applications, sidewalks, docks & other critical areas
- Not to be confused with the Road Runner Blue Bag sold by the warehouse retail stores, which doesn't contain any magnesium pellets or calcium pellets. The Blue Bag is salt sprayed with liquid mag.
- Road Runner Red Bag is the only brand manufactured with both magnesium and calcium chlorides for fast melting & long lasting action.
