

# WOOD PELLETS 2019 Prices

Effective  
3/6/19

**“Not sure why but wood pellet manufacturers do not have many pellets available and prices are temporarily inflated. We absorbed as much of the increased cost as possible. These prices are \$10 to \$20/ton higher than previously but they are expected to lower once summer returns. Thank you for your understanding.” Your Weaver’s Inventory Team**

One of our suppliers of wood pellets over the last 17 years is **Lignetics**. We purchase them from their plants in Virginia and West Virginia. We have found their product quality to be good and consistently good throughout the winter months as well as during the summer and fall preseason production. So we are again offering Lignetics this season as our proven high quality wood pellet.

Another great supplier of quality wood pellets is **American Wood Fibers**. We have a premium softwood pellet and a hardwood pellet from American Wood Fibers. **SATISFACTION GUARANTEED!**
