

Why Use The Ace App?

Faster. Easier. Helpful.

Your Rewards, Your Coupons, Your Order History, & More

All In One Place...

Conveniently Right On Your Phone!

- ☑ **Get Your Rewards Faster**— rewards are issued on Sundays and they're in your app on Monday. Redeem when you're ready right from your phone—can't lose or forget them. And see your points balance too.
- ☑ **Shop Online**— Easily shop and place an order for in store pickup or delivery right from the app. And track your order history.
- ☑ **Monthly Coupon Offers**— the coupons you receive in the mail will now be delivered to you in the app. It's faster and more convenient. No need to remember a paper coupon — it's right in your phone.
- ☑ **\$5 Download Bonus Coupon**— \$5 coupon available the next day just for downloading the app. Must be existing Ace Rewards members or become Ace Rewards member.
- ☑ **Earn Points In More Ways**— referring friends, completing your profile, etc.

Setting Up The App

1. Download The App From Your App Store (It's Free)
Search Ace Hardware & Install

2. If you have an existing acehardware.com account, sign in with email address and password and you're all set to start using the app right away.

3. If you need to create an account, it's easy. Enter your email address and create a password.

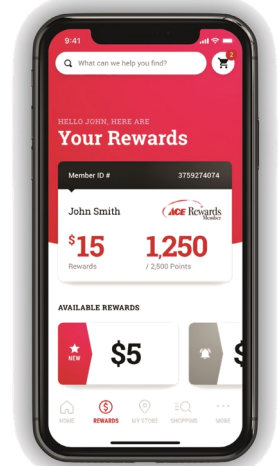

4. Then enter your first name, last name, address, and phone number.

5. Ace will automatically look up your Ace Rewards number and link it to your account.

6. Touch "I confirm" box.

7. Touch "Create Account".

8. Immediately start using the benefits of the Ace Hardware App.

Thank You & Enjoy The App
